NOTE:

Management practices dari contoh APO02 kita **boleh memilih hanya 2 atau 3 management practices** jika itu memang relevan dengan **tujuan evaluasi, fokus organisasi, atau keterbatasan sumber daya**. Contoh:

- APO02.01 – Understand Enterprise Direction
- APO02.05 – Define Strategic Plan and Roadmap
- APO02.06 – Communicate Strategic Intent

Semakin banyak management practices yang dipilih akan semakin banyak instrument kuisioner yang perlu dibuat dan disebarkan.
